

The Californians
in
“Jeff Spicoli’s Pick of Destiny”

a sketch comedy idea by Jonathan D Steinhoff 10.20.12

[SNL’s “The Californians” are gathered together in a clearing in the woods, CALIF 5 and 6 holding shovels, CALIF 1 holding a map, the others just standing around.]

CALIF 2

What makes you think it’s here?

CALIF 8

What makes him think what’s here?

CALIF 2

Haven’t you been even listening?

CALIF 8

No!

CALIF 2

We have a secret map we found in the debris from a really big kahuna last Friday, it’s really old, it’s from 1988, we have a secret map! You get it? And it reveals that the guitar pick Jeff Spicoli was talking about in Amy Heckerling’s 1982 film classic, “Fast Times At Ridgemont High”, the one that Mick Jagger gave him, it’s real, and it’s buried somewhere, but we should have taken the 55. We should be in Camarillo.

CALIF 1

I followed the map, I know how to do that.

CALIF 3

You know how to use Onstar.

CALIF 1

I can show you here on the map if you’ll even look.

[THE CALIFORNIANS all gather around CALIF 1 to see the map]

CALIF 1

See, the map says if you take the 101 to the 405 but then at, at the, at the 722, at the 722.....

CALIF 4

There is no "722". I've never seen the 722. Everybody knows there isn't even a 722.

CALIF 1

I know that, okay. Listen: This map is from 1988, therefore, I was forced to interpret in terms of 1988. So I did that.

CALIF 3

We should have taken the 405 to the 55 to the-

CALIF 1

I changed the 722 to the 27, because it has a "7", since, 'kay, there is no 722 now in the future from 1988 when they made this map. Maybe I heard about it, okay? I might have heard something about the 722, I think. But that guitar pick is buried right here. The map says so, it does.

CALIF 5 (holding shovel)

Right, okay, then we'll start digging.

CALIF 1

'kay!

CALIF 5

'kay!

CALIF 6 (also holding shovel)

'kay!

[THE CALIFORNIANS gather around the shoveling, making remarks amongst themselves about Jeff Spicoli, which lead to derisive remarks about the whole endeavor, which are heatedly rebutted.]

SEAN PENN (as SEAN PENN)

The ancient Mick Jagger prophecy is finally near fulfillment! I now need ALL OF YOU (**momentarily smiling and winking at the camera**), those whom I have summoned to this special place, this secret clearing in the woods (**momentarily smiles and winks at the camera again**) to go out, and help President Obama win this election, by obeying my secret commands!

[THE CALIFORNIANS completely ignore SEAN PENN, until SEAN PENN shrugs his shoulders and exits. PULL BACK, FADE OUT.]

THE END
